

**Debbie Cook,
Treasurer of the
OVPDC**

At an all setter fun day, setters were taken on a long line around a field to see if they were birdie. Her girl English Setter, Belle, was found to be extremely birdie and she had a rock solid point. So Deborah entered her into a field test to see what she would do. The judge, Sandy Gunn, gave her 98/100 and thanked Deborah for bringing a show English Setter that hunted so naturally, as he could tell that Deborah had no clue what Belle was doing and told Deborah to find a club that could teach her. Deborah found the Ottawa Valley Pointing Dog Club to learn this great sport. Deborah enjoys and participates in Obedience, Rally-O, Agility, Conformation and Hunting with her English Setters. It is just amazing watching her setters work the fields – poetry in motion.
