

Suzanne Goure, Secretary of the OVPDC

Suzanne has been a member of the OVPDC since 2011. Suzanne lives in Ottawa with her husband and their two Britanys, Boomer and Malbec, as well as one “All Canadian “ dog, Peanut. Suzanne became involved in the OVPDC after moving to Ottawa and looking for an activity for herself and the then 2-year-old Boomer. After encouragement from club members to enter her first field test she was hooked on field training and now enjoys hunting partridge and the occasional woodcock with her husband and two Brittanys in the fall. What Suzanne loves most about field training is seeing the dogs do the work they were bred to do. Suzanne and her dogs also enjoy training in other dog sports and they have competed in agility, flyball, obedience and rally obedience.
